Beach Club Features

The new Beach Club with its casual, yet refined climate will entice members, their families and guests for frequent visits and serve as the backdrop for many fond memories.

- A lawn area provides space for large Club events such as Beach Bashes and the 4th of July Celebration, in addition to weddings and other private affairs.
- Dramatic ocean views from the entire east side of the building. Approximately 50,500± SF for member's use.
- Inside dining is spacious and can seat nearly 250.
- Patio dining area seats more than 130 and has a lovely pergola.
- Island Room and Ocean Hearth offer indoor and outdoor dining. Each has its own special ambience.
- Rafters, the casual ocean bar, overlooks the Atlantic Ocean and opens early to serve breakfast and fresh pastries. Its coffee bar offers freshly-brewed coffee, espresso, cappuccino and other coffee beverages throughout the day and evening. Tapas are served from early evening until late at night.
- Outdoor living room area, adjacent to Rafters, offers gorgeous, panoramic views of the ocean.
- A handsome Library complete with a cozy fireplace and billiards. A separate room within the Library serves as a media center with an internet-capable computer, FAX machine, and other small office extras.
- The Cave, a youth center open 7 days a week with Wi-Fi, Wii, Xbox, Netflix, 60-inch HD TV, computer access, ping pong and food service.
- 89-foot pool for lap swimming or recreational swimming. The pool deck stretches to accommodate lounge chairs and tables. Nearby is a wading pool for the little ones.
- Poolside and beachside service as well as a walk-up window. Popular and kid-friendly fare such as wraps, salads, fresh fruit and chicken strips are served to you poolside/beachside.
- Architect: Peacock + Lewis (Palm Beach); Builder: Weitz Golf Inc.
- Interior Designers: J.Banks Design Group, Inc. (Hilton Head, SC)
- Completed 2008
